- We strongly recommend that all students get full private insurance (travel, property loss, etc).

You should also check if your country has any health insurance agreements with Spain. If this is the case, you should obtain all forms and documentation before leaving your country.

Students from the European Community need to bring their European Health Insurance Card. Students from outside the European Community should have an international health insurance policy that is valid for Spain.

PERSONAL DISCIPLINE

- Students should respect the basic rules in regards to both the course and accommodation.
- In the case of serious misconduct, the student may be requested to leave immediately, in which case no refund will be made. Expatriation costs will be assumed by the student. The school will be the sole arbiter of what constitutes a serious misconduct. All students adjudged guilty of serious misconduct will be required to pay for any damages caused.
